

Amabile School of Music

Quick Start Guide

Account Activation

Step 1: Go to url <https://amabilesf.opus1.io/login>, type your email and click “Get an Email Link”. Within 3 to 5 mins you will receive an email with a temporary access link. Step 2: You will then be able to access your account and set a password. Through our portal, families will have access to upcoming lesson schedules, cancel a lesson, view invoices and sign up for make-up classes and upcoming events.

Musical Ladder System

A unique reward program that we provide for our students and teachers is to set periodic musical tests that begin after three months of lessons. Please discuss with your teacher if you'd like to get started.

Student Recitals

Several performance opportunities will be announced each year. Sign-up is usually available a month prior through the online portal. Students who have taken lessons at Amabile for a minimum of three months will have the option to participate in the virtual or in-person recitals. Be sure to talk to your teacher about your goals and readiness.
